

It's as easy as 1-2-3!

Wyoming Breast & Cervical Cancer Early Detection Program

Thank you for requesting an application! It is our goal to provide early detection services to Wyoming women who are most at-risk for developing breast or cervical cancer. In order to be eligible for this program you must qualify in ***each*** of the following three areas:

- (1) age/risk factor **and**
- (2) income **and**
- (3) insurance status.

How to apply for our program:

1. Complete the entire application form!
2. Review the application one last time for accuracy and completeness before you sign the consent and release section on the second page.
3. **The application must be received by us within 30 days of the date you received the application.** We have enclosed a postage paid envelope for your convenience.

You will receive a letter of approval or denial from us within 30 days. **You are not officially enrolled in this program until you have received an approval letter and an ID card.** If you are not eligible for our program, we will provide you with a list of other resources that might be helpful to you.

IMPORTANT NOTE: If your healthcare provider has told you that you are in need of treatment for breast or cervical cancer (or cervical pre-cancer), send this application in to us immediately and then call us at 1-800-264-1296.

If the application form is incomplete, it will be returned to you. This will cause a delay in processing your application.

Keep this 1-2-3 cover sheet for your records.

Date you mailed this application: _____

If you haven't heard from us within 30 days, call us to be sure we received your application.
